

EXPLORE IT

Throughout the Explore It learning modules, all explorers have the *option* to share what they create on their adventures. This sharing is done through Flipgrid! We recommend that caregivers and explorers (of all ages) use Flipgrid together.

Please start by visiting <https://info.flipgrid.com/> and entering the flipcode below, OR directly click on the grid link below.

| | Explore It Junior (Age 4-6) | Explore It (Age 7-10) |
|-----------|---|---|
| Flipcode | bcmexploreitjunior | bcmexploreit |

Instructions and Guidelines:

- To post, you will need to log in with a Gmail or Microsoft email address.
- Click on the large green plus to create and share a post.
- Within each grid will be topics. Each topic corresponds to an Explore It theme.
 - For example - Any adventures in Modules 1-3 can be shared in the “In The Wild” topic, and so on.
- Caregivers must monitor what the explorer shares.
- To get started learning how to use Flipgrid to share your projects, please visit [Getting Started: Students - Flipgrid](#)

- If you have any questions, please email our team at exploreit@bostonchildrensmuseum.org
