

# “In the Wild”

## Module 3, Warm-Up

The logo for "EXPLORE IT" is enclosed in a black rectangular border. The word "EXPLORE" is in a bold, sans-serif font, with the letter "O" being a solid green circle. The word "IT" is in a smaller, regular sans-serif font. The letters "E", "X", "P", "L", "R", and "E" in "EXPLORE" have horizontal lines through them, giving it a stylized, digital appearance.

### Prompt:

Think of two animals you think are awesome and combine them to make a new animal. When we combine two different animals into one, we call it a hybrid!

Come up with some interesting facts about the animal! Here are some ideas to get you started:

- What is the name of the new animal?
- What does the animal look like?
- What does it eat?
- Where does it live?

### Materials:

- Paper
- Pencil, crayons, markers, or colored pencils
- *Optional: Explorer Notebook*

### Instructions:

1. Imagine a new creature by combining two different animals. Use the questions above to help you think about what the new animal will be like.
2. Draw or write about the animal you imagined. Come up with a name for it.
3. Share your animal with someone at home!

*For explorers using an Explorer Notebook:*

1. Draw your animal in your notebook and write its name and some fun facts! Look below to see an example for how you might design your page. You can use this or set up your notebook however you want!
